HONORING DETECTIVE JAMES STANKO

(Ms. WILD asked and was given permission to address the House for 1 minute.)

Ms. WILD. Mr. Speaker, I rise today to honor the life of Allentown Police Detective and Community Liaison Officer James Stanko, a man who dedicated his life's work to bridging the divide between police officers and the community they serve.

Officer Stanko died on Monday, a huge loss for our community, but his legacy lives on through the countless lives he touched.

Officer Stanko wasn't known for sitting idly at a desk. His passions lay out in the community where he was known for mentoring our kids, whether it was through coaching basketball, talking at schools, or offering life lessons at the children's clinic.

As someone who worked closely with him put it, "Our kids called him family." He was a calming, yet dependable force that everyone, especially our youth, could turn to for guidance and support.

Officer Stanko never stopped trying to achieve his ultimate goal of connecting the police department to the people that it serves.

Working as an Allentown police officer for 13 years, Stanko never wavered in his values of honesty, integrity, and, most notably, respect for others. I was inspired by his sincere love for public service, as well as his passion for our community that he was proud to call home. He will be deeply missed.

HONORING DIVISION CHAMPS CLINTON-MASSIE FALCONS

(Mr. CAREY asked and was given permission to address the House for 1 minute.)

Mr. CAREY. Mr. Speaker, as a Clinton County native, I rise today in honor of the 2021 Division IV Ohio high school football State champion, the Clinton-Massie Falcons.

On December 3, 2021, the Clinton-Massie Falcons defeated the Youngstown Ursuline Irish in a thrilling comeback victory that one would expect to see in a movie.

Trailing 28-7 late in the third quarter, the Falcons kept their poise and refused to be denied. They shut down the Irish offense while scoring on three straight possessions. The Falcon's final touchdown came on a fourth and goal from the 1-yard line with under 1 minute to play.

With the score 28-27, the team didn't think twice when given the choice. They went for 2 points and the win to bring home the school's third State championship in just under 10 years.

To Coach Dan McSurley and every player on the Falcon roster, congratulations. As a former captain of the East Clinton Astro football team, I understand the obstacles that you have had to overcome to earn this title. You have made our county proud and proven that hard work and determination truly pay off.

INVESTING IN INFRASTRUCTURE

(Mr. CÁRDENAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CÁRDENAS. Mr. Speaker, thanks to President Biden's Infrastructure Investment and Jobs Act that I and many of us voted for, we are now putting those resources on the ground across America.

The first billions of dollars to go to California and every State in the Union are now being put in place to fix bridges. Next, we are going to fix our roads and build our infrastructure to electrify our system throughout the country.

These are the kinds of things that our voters sent us to Washington to do, to bring those resources back to every single community, every single one of our communities, and that is what we are doing here in Congress with a President who actually believes in the fundamentals of infrastructure and making sure that we put our American workers back to work to build our Nation as it should be and what we are so proud of.

We are the number one infrastructure place in the world, and we will continue to be so with these investments.

ONE YEAR OF CRISES

(Mr. THOMPSON of Pennsylvania asked and was given permission to ad-

dress the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today marks the 1-year anniversary of President Biden's inauguration and 1 year under one-party rule.

And I ask: Is America better off? The answer is no.

Since President Biden took office, we have seen crisis after crisis.

We are facing an economic crisis. President Biden and the Democrats had the tools to bring our economy back to the prepandemic records of 2019. But instead, we have massive supply shortages, labor shortages, and an inflation rate that has reached a 40-year high.

Our country faces an energy crisis. We went from being energy independent to begging OPEC+ to produce more oil to offset the rising costs. This is because of anti-American energy policies enacted over the past year.

Mr. Speaker, the list goes on: an education crisis as our youth continue to face uncertainty in the classroom; a national security crisis as our presence on the world stage has been weakened and our southern border remains vulnerable; and a crime crisis following dangerous defund the police rhetoric.

Mr. Speaker, this is not the leadership America needs right now. In fact, it is far from it.

INFRASTRUCTURE AND JOBS

(Ms. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. UNDERWOOD. Mr. Speaker, today marks one year of Democrats in Congress working alongside the Biden-Harris administration on behalf of American families.

I am proud of what we have accomplished so far, including the once-in-a-generation investment in our roads and bridges made by the bipartisan infrastructure law. With nearly 2,500 bridges in poor condition, Illinois ranks third among States with crumbling bridge infrastructure. Thanks to the bipartisan infrastructure law, Illinois will receive \$1.4 billion to repair and rebuild these bridges, like the Blackberry Creek and Mendota railroad bridges in my district.

These upgrades will save Illinoisans money on costly car repairs and time on their daily commutes. This long-overdue investment will also connect our communities and support our supply chain, while creating good-paying jobs and spurring economic development.

With the partnership of the Biden-Harris administration, we have spent the last 365 days delivering for the American people. Our work is far from finished.
